## MAYOR'S MESSAGE

Council has awarded renowned civil engineering and surveying firm, Maker ENG the tender to complete a comprehensive study of Kerang's township drainage infrastructure.

This study will involve identifying locations where our current system is not managing, and recommending measures that will reduce the impact of stormwater flooding in Kerang.

Council will work with residents and other agencies to develop this important document, which will assist in obtaining funding to complete future improvements.

Kind regards,

**Mayor Garner Smith**
