MAYOR'S MESSAGE

Thank you to everyone who participated in the 2024 Community Satisfaction Survey, conducted during February and March. This survey found that our overall Council performance rating has been consistent throughout this current term of Council, with our efforts to maintain public areas and libraries, provide good customer service and manage waste continuing to be strong points.

Council is committed to improving on its performance and will use the results of the 2024 survey and recommendations suggested in the report to achieve this.

Kind regards,
Mayor Ross Stanton
