MAYOR'S MESSAGE

With this being the final Gannawarra News Mayor's Message before the 2024 Gannawarra Shire Council elections, I would like to thank all residents for supporting Council's work between 2020 and 2024.

This current Councillor term has seen our communities emerge from the COVID-19 pandemic and endure what was our second major flood event this century. Numerous transformational projects were also completed, which are benefiting residents and visitors.

We should be proud of where we live and what we can achieve when we work together.

Kind regards,
Mayor Ross Stanton
